

ARGENTINA BUSINESS & INVESTMENT FORUM

12-15 SEPTEMBER 2016 - BUENOS AIRES
ARGENTINA

The Forum marks Argentina's return to international markets and will lay out the government's strategies to invigorate key economic areas, empower the private sector and stimulate inclusive, long-term growth.

www.argentinaforum2016.com

ARGENTINA TO THE WORLD

FORUM OBJECTIVES

Attract foreign direct investment that will help drive economic growth and support the creation of local jobs and opportunities

- Demonstrate progress in Argentina's ambitious economic reform program
- Highlight untapped potential and opportunities in Argentina's key economic sectors
- Close financing gaps to support sustainable and inclusive growth
- Showcase Argentina's robust entrepreneurial ecosystem and introduce its leading innovators to a global audience
- Firmly position Argentina as an attractive destination on the global investment map
- Showcase Argentina's robust entrepreneurial ecosystems and present its leading innovators to a global audience (Innovation Day on September 15th)

WHY ATTEND?

A unique platform and unrivalled access to policy-makers, allowing investors and business leaders to discover Argentina's opportunities first-hand

Landmark event:

Unprecedented level of national and global representation, across both the business and political world

First mover advantage:

Participants can "get in on the ground floor" in a country with enormous investment opportunities that stem from its size, diversified economy, educated population and natural resources

Networking opportunities:

Time for delegates to mingle freely, discuss policies and explore investment opportunities

Deep dive into attractive investment opportunities:

Sectoral Roundtables focused on strategic sectors where participants can engage with Ministers, local private sector leaders, and investment banks

PRESENTATIONS OF INVESTMENT PROJECTS IN:

- Oil & Gas
- Power & Renewable Energy
- Agribusiness
- Industrial Goods & Services
- Mining
- Transport & Logistics
- Public Works & Infrastructure
- Technology & Telecommunications
- Financial Services
- Tourism
- Pharma & Biotechnology
- Construction & Real Estate

WHO

The Forum will bring together 1,500 global investors, government leaders from around the world, and CEOs of Fortune 500 companies from a variety of sectors, including energy, finance, ICT, infrastructure, agriculture, health, and many others.

WHAT

Sept. 13 and 14 will feature high-level panel discussions, TV debates, bilateral meetings, keynote addresses, interviews, and Sectoral Roundtables, which will feature investment projects and presentations by Ministers. Sept 15 will be dedicated to innovation and entrepreneurship.

WHERE

CCK located in the heart of Buenos Aires, Argentina will play host to the Argentina Business & Investment Forum. It is the largest cultural center in South America and was the former Buenos Aires Central Post Office.
